

GRAB AND GO → TAKE-HOME BOOK PACKS

Meet the needs of children in today's new world, regardless of their access to technology. Delivered to schools or single sites and packaged for easy distribution, each developmentally appropriate grade-level book pack includes family engagement activities, tips, and support.

Schools and districts can distribute one or more of our theme packs throughout the school year to support independent reading at home:

✓ THEME 1 | Favorite Books to Ensure Engagement

Comfort and engagement with reading will be invaluable during the transition back to school, in whatever form it is taking in your community.

Coming Soon in English and Spanish

✓ THEME 2 | Social-Emotional Development, Support, and Learning

These titles ensure that children feel emotionally supported in ways that only the best books can provide.

Available Late Fall/Early Winter 2020

✓ THEME 3 | Culturally Responsive Literacy

These packs allow children to see themselves reflected in the books they read, continue the push for equal representation, and support ongoing conversations about social justice.

Available Late Winter 2021

✓ THEME 4 | Foundational Skills

Lower grade titles feature phonics exemplars, Grades 2–3 focus on building fluency, and Grades 4+ help students compare and contrast and see different points of view as they build comprehension and knowledge.
